

PRICE INCREASE NOTICE

Private Music Lessons

Dear Families,

This letter outlines some upcoming price increases at The Melody in Me.

WHAT: Prices of all private music lessons (piano, voice, guitar and violin instruction) will increase by \$1.00 per half hour. For 30 min lessons a \$1.00 increase per lesson, for 45 min lessons a \$1.50 increase per lesson, and for 1 hr lessons, a \$2.00 increase per lesson.

WHEN: New prices will be effective on Monday, February 4th 2019, at the beginning of semester 2 (Winter-Spring 2019)

WHY: Our last tuition increase was in 2013. This increase will ensure that The Melody in Me can:

- A) Continue to run the studio and our programs regularly, with yearly rent and hydro increases.
- B) Provide our music teachers with a cost of living wage increase.
- C) Continue to offer private lessons with a staff of trained professionals.

Price Increase Breakdown:

Lesson Duration	Original Cost	Increased Cost	Full Term Cost (19 wks)
30 min	\$25	\$26	\$494
45 min	37.50	\$39	\$741
60 min	\$50	\$52	\$988

We thank you for your business and appreciate your understanding the necessity for this price increase.
